BABAR ALI

Science Teacher • Computer Science & ICT • Google Certified Educator

Subjects: Science (General) • Computer Science / ICT • Mathematics (Gr 6–8)

PROFESSIONAL PROFILE

Science and Computer Science teacher with over three years' combined classroom experience — including around 2.5 years full-time at a registered private school, plus current government and tutoring roles — delivering Science and Computer Science across Grades 6 to 10 (Punjab Textbook Board). PEC-registered Biomedical Engineer and Google Certified Educator (Level 1), with strong subject grounding in science, computer science and a proven record of measurable student outcomes. Committed to student-centred learning, active and inquiry-based learning, digital literacy integration, and effective parent communication. Available to relocate immediately to KSA, UAE or Qatar — employer visa sponsorship required.

TEACHING EXPERIENCE

Science Teacher Intern | Punjab School Education Department

2025 – Present

GES Ghazipur, Sheikhupura District, Punjab, Pakistan | Government School

- Curriculum delivery:** Independently delivers PTB Science curriculum to Classes 6, 7, and 8 — serving approximately 75 students across three grade levels
- Student outcomes:** Contributed to significant improvement in student grades through structured lesson planning, formative assessment, and targeted support for weaker learners
- Attendance & enrolment:** Maintained approximately 95% student attendance; class enrolment increased following consistent improvement in learning outcomes
- Digital literacy:** Introduces students to AI tools and Google applications through hands-on demonstrations, developing practical digital literacy and 21st-century skills

Science & Computer Science Teacher | Zeenat Muslim Model School

Sep 2022 – Feb 2025

Sharaqpur Sharif, District Sheikhupura | Registered School (Regd. No. 5029) | Full-Time

- Grade improvement:** Raised overall class average from approximately 70% to 90% across Grades 6–8 — high-achieving students also progressed from 90% to 95%, demonstrating school-wide academic uplift
- Practicals & ICT:** Managed Science and Computer Science practical sessions for Classes 6, 7, and 8, strengthening students' conceptual understanding and applied digital skills
- Parent engagement:** Organised and led monthly parent-teacher meetings and annual result events, maintaining strong home-school communication and community trust
- Classroom management:** Established structured, disciplined, and inclusive classroom environments across three grade levels, recognised by the Head Teacher for dedication and professional conduct

Lead Educator | ACE Education Academy

Jun 2025 – Present

Sheikhupura, Pakistan | Private Tutoring Centre | Part-Time

- Multi-subject instruction:** Delivers Science, Chemistry, Computer Science, and Biology to 60+ students from Classes 6–10, supporting exam preparation and conceptual mastery (PTB curriculum)
- Differentiated instruction:** Applies inquiry-based and problem-based learning strategies to meet diverse learner profiles across middle and secondary levels

EDUCATION

B.Sc. Biomedical Engineering

2018 – 2022

University of Engineering & Technology (UET), Lahore, Pakistan

PEC Registered • HEC Attested • FYP: IoT-Based Human Vital Signs Monitoring System

Relevant coursework: human physiology & anatomy, biochemistry, applied physics, robotics, and programming/computing — supporting Science, Chemistry and Computer Science teaching

PROFESSIONAL DEVELOPMENT & CERTIFICATIONS
